

TIME TO CELEBRATE...

The Promise

A Journey of Faith and a Dream Fulfilled

This series of Advent Contemplative Zoom services leads us from the promise made to Abraham to its fulfilment in Mary's Son. Focusing on a selection of Sieger Köder paintings, alongside short written meditations offer some reflections to help open our understanding to the symbolism of each painting. Interlinked within a Northumbrian Compline Prayer – and gentle reflective music - these are prayerful reflective spaces.

For those of you who Zoom – images and reflections will be on the screen. If you know of anyone who would like to join using only a phone line, please do let us know, and we can print the images and prayers so they too can enjoy the experience on the phone.

Rev Jason invites you to join at around 5.40 pm for time to chat and get to know each other, the Advent service of reflection and prayer from 6 pm – each Advent meet-up will be less than an hour - finishing around 6.40 pm.
