

Some crafts and activities for you to try ..... that includes the grown ups!

### Walk with Jesus:

Make a sandal out of cardboard, pipe cleaners, string or string. How far could you walk in them? The distance from Jerusalem to Emmaus was 7 miles!

### Love & friendship go hand in hand

Jesus taught us to love our neighbour as ourselves and that is even more important at the moment.

Make a banner linking your friends and neighbours and hang in the window

### Write a secret message to a friend

Make some invisible ink using either:

- 1 tablesp. lemon juice + 1 teasp. water
- or: - milk

Write out a secret message using a cotton bud, feather, or nibbed pen. Dry. Hold the paper over a light bulb to reveal the message.

### Messy Challenge:

Baking ingredients are hard to find at the moment so why not make something to eat for tea to share with all the family. Make it a special occasion in whatever way you want - invites, menu, folded paper napkins or kitchen towel etc. Divide up the duties so you all get to do something.

#### Some ideas:

Cheesy mash bake ( you could put baked beans in first)

Slice of bread or baguette pizza (basically tomato, cheese & herbs)

Toasty treat: peanut butter & sliced banana,

Savoury rice ( add cooked sweetcorn, peas, tuna or leftover chicken)

Pasta salad with these added above when cold + some mayonnaise
