

TRINITY NEWS 13th Oct 2021

We welcomed Local Preacher Stella Davis to our Church on Sunday 10th October. How lucky we are to have such a variety of different styles of preaching. We can take and learn so much from them all. Thank you.

The Preachers for the next three weeks are: 17th Oct. Rev. Jason Vinyard.
24th Oct. Barbara Chipperfield. 31st Oct. Liz Kearsley.

We are very sad to announce the death of Anne Dean this week. Such a good friend to all and who was involved in so many Trinity activities. Please hold David and the rest of the family in your prayers.

The roof repairs should be finished this week, weather permitting. The Lift has been inspected again and we are waiting to hear their report. They are not able to give us a start date yet.

Gatehouse have sent us a thank you letter for the Harvest gifts (see Page 2 below) – many thanks to all who contributed.

There are a number of groups using our premises again so if anybody is arranging a meeting, please check with Joseph at trinitybsebookings@gmail.com

I read something the other day about old words meaning new things nowadays, which might be of interest especially to those born before 1950:

Big Mac.....oversized raincoat	Stud.....something to fasten a shirt
Joint.....Sunday roast	Aids.....helping someone in trouble
Hardware.....nuts and bolts	Chip.....bit of wood or fried potato
Pot.....cooking implement.	

If you think of any others please let us know. If you would like to share any news please contact me at: rlmbrandon@hotmail.com Tel: 01284 702165

I shall finish with one of the verses from a poem/hymn written by Rev. Peter Dainty whose very moving and interesting Memorial Service was held on Sat.9th Oct.:

Room prepared, disciples meet;
Bowl and towel, washing feet,
God's plan ready to complete –
Jesus came to save us.

Feeding People in crisis

Autumn 2021

Thank you for your Harvest Festival Donation. This will be distributed using our system of referral from front-line care agencies. It is very much appreciated and is a great help towards the continued distribution of nutritionally balanced emergency food to local people in crisis.

The level of generosity shown by the numerous schools, churches, groups, and individuals in this area is extraordinary. Everyone knows that, economically speaking, these are tough times and they're likely to get tougher; and yet it seems that this only serves to intensify the generosity we see on a daily basis.

It is often said that voluntary work brings its own rewards. It does. Those who contribute make this happen, as well as being able to bear witness to the relief this work brings.

Thank you, once again, for supporting local people in crisis.

Yours sincerely
