

TRINITY NEWS 17TH JANUARY 2022

It was good to have our Rev. Vaughan Tong to take the Service yesterday. We can look back at the past but he encouraged us to look forward to the future, have faith and trust in the Lord.

“Forum” – our Church Magazine – Returning

The last edition of “Forum” was published in March 2020 and publication ceased as the Covid situation overtook so much of our lives. Malcolm Houghton, our editor, had already told Debbie Borda that he was needing to retire and we owe him an immense debt for his many years of producing such a high-quality magazine. Russell Cook has taken over as editor and he is working to have the next edition ready for publication on February 1st. **The copy date is Saturday, January 29th.** If you have anything to include please send it by email to Russell Cook via russellcook@sky.com

We are planning to send most copies out by email and only produce paper copies for those who are not on email and to have copies available on Church premises. This should enable us to save almost £200 an issue - and it is much better for the environment!
