

Trinity Newsletter 9th to 13th April 2025

The worship service at 10 a.m. on 13th April was to be led by the District Chair, Rev. Helen Hollands, unfortunately she has some pastoral concerns to deal with and is unable to be with us. However she will send a full copy of her service for us to read and share with the congregation. Please remember her in your prayers.

On Sunday 20th April, The Rev. Canon Jason Vinyard will lead worship which will include Holy Communion and the baptism of the grandchildren of Joy & Eyo; we will also be joined by a party from The Martins MHA Residential Home. The communion offertory will be for the Methodist Church Easter Offering, which goes to world mission.

Rev. Jason will conduct the funeral service for Michael Veale at Trinity on Wednesday 23rd April at 1p.m. which will be followed by refreshments.

The latest edition of Forum is available: please note the detailed information therein about 2 events: a service to celebrate 10 years of Bury Drop-In on Sunday 11th May at 6pm at Garland Street Baptist Church. On 13th May at 7.30, at Trinity, a talk by the Rev. Richard Stainer, World Development Advisor to the Diocese. (CAWeek)

Suffolk Churches Ride & Stride 2025: This year's event takes place on Saturday 13 September. In past years people have been very generous in offering to staff the church throughout the day. Before I commit Trinity to participating in this year's event, I would be grateful for some indication of whether there are people willing once again to help. If not, then we might not be able to open the church to riders and striders this year. I realise it is a long way off but I need to know soon so that our name can go in the printed list of open churches. You can let me know by leaving a message in my pigeonhole. CHRIS SPENCER.

FIRE ALARM TESTING. We have some volunteers to carry out the weekly fire alarm testing on Sundays between 11a.m. and 1p.m. but we require a few more who would agree to take on this role, which would mean you would be required bimonthly to assist. The procedure is simple and takes 4-5 minutes. If you think you could join the team please have a word with David Wakeford or Chris Spencer - Thank you.
